

# JBL On Time™ Micro

Rise and shine your way.

Black

The JBL On Time™ Micro will make the music on your iPod, iPhone or other MP3 player sound great anytime. But mornings are when this system really shines. Wake up to the music you know will get you going – with or without the help of up to seven separate alarms. You'll be rested and refreshed, your iPod will be charged and ready to go, life will be good. While you are sleeping, your JBL On Time Micro works for you, keeping your iPod charged and ready to go. Isn't it wonderful what the JBL On Time Micro can do?
